PROFESSIONAL SUMMARY

Ambitious Web Developer and secondary school student with a proven track record of building and deploying live, functional websites. Founder of QuardKode, a tech brand focused on digital solutions and tech education. Currently gaining hands-on cybersecurity experience as an intern at Cybervast. Known for strong communication, consistency, and a relentless problem-solving mindset. Eager to leverage technical skills in a professional environment while continuing to learn and grow.

EDUCATION

Ireti Senior Grammar School, Lagos, Nigeria
Secondary School Student

Expected Graduation: 2028

TECHNICAL SKILLS

- **Web Development:** HTML, CSS, JavaScript, Responsive Design, Vercel & Netlify Deployment
- **Cybersecurity:** Network Security Fundamentals, Ethical Hacking (In Training)
- **Soft Skills:** Leadership, Communication, Consistency, Resilience, Project Management

KEY ACHIEVEMENTS

- Founded and launched QuardKode, managing the end-to-end development of its digital platforms.
- Successfully designed, developed, and deployed multiple fully functional websites while actively attending secondary school.
- Selected for a competitive cybersecurity internship at Cybervast based on demonstrated technical aptitude.

EXPERIENCE

Founder & Lead Web Developer — QuardKode

February 2026 – Present

- Founded a tech brand dedicated to providing web development services and digital solutions.
- Designed, coded, and deployed responsive websites, including the QuardKode Academy platform.
- Managed all aspects of the business, including client communication, UI/UX design, coding, and hosting.
- Created accessible learning resources to help aspiring developers acquire tech skills through QuardKode Academy.

Cybersecurity Intern — Cybervast

July 2026 – Present

- Actively undergoing advanced cybersecurity training, building foundational knowledge in network security and ethical hacking.
- Applying technical skills in real-world security scenarios and collaborating with senior security professionals.

PROJECTS

Mercy Seat Academy Website — Web Developer

- Designed and developed the official website for Mercy Seat Academy, focusing on responsive design and user-friendly navigation for students and parents.
- Link: mercyseatacademy.com.ng

QuardKode Academy Platform — Founder & Developer

- Built a web platform dedicated to teaching and sharing tech skills, providing accessible learning resources for aspiring developers.
- Link: quardkodeacademy.netlify.app

QuardKode Official Website — Founder & Web Developer

- Created the main hub for my tech brand, showcasing services, portfolio, and community.
